Personal, Social Health & Economic Education Crucial Knowledge

What helps us to stay safe?

- If something is unsafe it means it can be dangerous to us or others
- Rules keep us safe by making sure we know what is right and wrong and the consequences for both
- Some things we do put us at more risk like crossing the road, dangers in the home, playing near water, on-line, medicines, fire risks
- The internet is not always safe– some people are not who they pretend to be
- If you do not feel safe online, you should tell a trusted adult
- Not all secrets are good secrets (a surprise party is a good secret, something that makes you feel unsafe or uncomfortable is not)
