

Welcome back

We hope you have had a lovely Easter break and are ready for our summer term! We have got lots to look forward to, including our Community Improvement project (we will let you know when we have rescheduled this) and our class assembly! Keep your eyes out for more details!

Mrs Kelly and Mrs Johnson ☺

During the Summer Term, our Geography unit will be all about the water cycle. We will be focusing on the Ancient Egyptians in History too! In Science, we will be looking at sound and learning all about the digestive system. We are also going to be creating Roman pots as part of our sculpture work in Art!

Don't forget to check your emails for information about our upcoming trips and activities:

Community Improvement project - We will let you know asap.

Y4 Class assembly - Wednesday 8th May

Crucial knowledge is an important part of our daily school life. Please take the time to visit the website where you can find your child's crucial knowledge for this term.

Homework

Homework will be sent home on a Thursday in paper form.

It will need to be in school by the following Wednesday morning.

Homework consists of Fast Maths, spellings, reading and Maths Whizz.

Year 4 P.E. will take place every Wednesday and Thursday. Children need to come into school in their kits and stay in them all day.

Remember that PE kit is plain jogging bottoms (no zips/logos) and either their team colour shirt or plain white/black.

Team coloured shirts are available to buy from school. Please ensure that children have suitable trainers as well. Children must wear their long hair tied back and they will not be able to wear earrings. Plasters will not be accepted.

If you wish, your child can bring in a healthy snack to eat at break time. School lunches are £2.89. Find the menu here:

As the weather gets warmer (hopefully!), it is important that water bottles are named and in school every day. Please also make sure that the children come prepared for the weather eg. Sun hat, sun cream, coat...or all of the above!!
