Our School Rules: Try your best Be calm Be truthful Be safe Be kind

Dear Crackley Bank Families,

We are looking forward to seeing you when the children return to school on **Wednesday 6th September**. The school day for Reception class to Year 6 starts at 8:45am and learning activities begin at this time, if your child is not entering the classroom until 9am they are missing 1 ¼ hours of learning each week (or over 9 days of education per year) - it adds up! The end of the school day is 3:15pm.

We hope that you have had a good break with your children however if things haven't gone as planned and you require any support or someone to talk to, please let us know and, as usual, we will do our very best to help you.

You will receive your child's class newsletter on Friday 8th September, and this will contain lots of useful information including PE days which will start the following week. Don't forget that they also need to bring a water bottle with them every day.

The start and end of the school day entrances and exits will be slightly different to last year for some classes, your child will have visited their new classroom on Move Up day but just in case they have forgotten, here's a reminder:

Nursery: Drop off and collect at the Nursery classroom door

Reception: Drop off and collect at the Reception classroom door

Year 1: Drop off and collect at the double doors on the KS1 (small) yard

Year 2: Drop off at the double doors on the KS1 (small) yard – collect from the hall doors on the KS1 (small) yard

Year 3: Drop off and collect at the double doors by the main entrance on the way to the KS2 (big) yard

Year 4: Drop off and collect at the classroom doors just past the gym equipment

Year 5: Drop off and collect at the classroom doors by the gym equipment

Year 6: Drop off and collect at the classroom doors in the annexe

I hope that you enjoy your last few days of the summer break, I'll see you on Wednesday.

Best wishes,

Ms Stevenson
