

Year 2 Spring Term Newsletter 2024

Happy New Year! I hope you have had an enjoyable and restful break. Mrs Green and I are so excited to start our new learning as we have lots of new and interesting things to learn.

If you have any questions or queries please email me j.johnson@crackleybank.staffs.sch.uk and I will reply as soon as possible.

This term...

English and Maths: We will continue to cover the basic skills needed in English and Maths – recapping often.

We will continue to work on our reading skills, this time focussing more on how we use the text to find our answers, as well as developing our writing skills for stories and instructions.

In Maths we are going to be looking at multiplication and division as well as fractions and capacity.

Wider Curriculum

This term we embark on another learning adventure with our wider curriculum. In **Science** we will be investigating plants and food chains. Our **Geography** topic takes us on a journey to another continent learning about our similarities and differences, whilst our **History** helps us to compare Queen Elizabeth I and II. We will continue to develop our **PSHE** skills, talking about how we are feeling and thinking about our role in the world.

In **Art** we will be developing our painting skills and understanding of how to use colours and mix them, whilst in **Design and Technology** we will be learning all about food and nutrition – how to be healthy!

There is lots of exciting learning to do!

Remember that all the crucial knowledge the children need is on our website too so keep checking there.

Notices

PE will take place on a **Tuesday**. Please make sure children are in the correct PE kit (team colour t-shirt and plain joggers or leggings- **no logos**). Please make sure all jewellery is removed before school. **Homework** is set on a Thursday to be completed by the following Wednesday.

Water bottles - these must be taken home each day, cleaned and refilled for the next day (no juice, water only please).

Reading Books- These need to be brought in to school every day as they will be changed as and when needed.
