

## Year 5 -Summer 1

### Science Crucial Knowledge

#### Materials - Changes

- Sieving is where small and large materials can be separated by allowing the smaller ones to fall through the holes in the sieve.
- Filtering is where the solid particles get caught in the filter, but the liquid moves through it.
- Solubility is where something can be dissolved in water.
- Evaporating is where the liquid changes into a gas leaving the solid part behind.
- Some changes are reversible – meaning they can go back again such as ice and water.
- Some changes are irreversible because they form a new material – for example burning wood produces a new substance ash.

### Geography Crucial Knowledge

#### This is Our Earth Settlements & land use etc.

- A place where people live is called a settlement.
- Types of settlement are hamlet, village, town, city, market town, port.
- A rural area is a settlement in the countryside with few buildings, and an urban area is a settlement with lots of buildings, facilities and transport links.
- Land can be used in many ways such as residential, agricultural, recreational, transportation, commercial.
- Trading is when countries buy or sell goods or services.
- Imports are goods purchased from another country and brought in. Exports are goods or services made in a country and then sold to another.
- Fair trade is a way of buying and selling products that allows farmers to be paid fairly for their produce and have better working conditions.

### Art & Design Crucial Knowledge

#### Sculpture

- Carving means to use tools to scrape away parts of the clay.
- 'Coiling' clay means to spiral the clay in an upward motion to form a shape.
- 'Relief' in clay is when a part is raised but still attached.

### Computing Crucial Knowledge

#### Creating Media – Vector Drawing

- Information Technology helps us to do a job, communicate or for entertainment.
  - **Vector drawings** are made using shapes that are layered on top of each other.
  - Each element of a vector drawing is called an object
  - **Resizing**; making your shape bigger and smaller
  - **Rotating**; Turing your shapes around
  - **Duplicate**; making the same image again.
- Vocabulary** vector, drawing tools, object, toolbar, vector drawing, move, resize, colour, rotate, duplicate/copy, zoom, select, align, modify, layers, order, copy, paste, group, ungroup, reuse, reflection

### Music Crucial Knowledge

#### Musical Learning

#### Kisne banaaya

- Sing and play the melody of *Kisne banaaya*.
- Sing in a four-part round accompanied with a pitched ostinato.
- Compose a simple accompaniment using tuned instruments.
- Create and perform their own class arrangement.

### Physical Education Crucial Knowledge

#### Net - Tennis

- Striking is when you hit a ball with a racket.
- Strength is a measure of power.
- Technique is a way of carrying out a particular task.
- Communicating with others giving and receiving information.
- Collaboration is working with others to achieve/create something.
- Competing means to do your best against others.
- Evaluate is to judge something.

#### Swimming

- Swimming means to move through the water without touching the floor or side.
- Flexibility is the range of movement through body joints.
- Strength is a measure of power.
- Technique is a way of carrying out a particular task.
- Movement is when changing position, posture or place.

	<ul style="list-style-type: none"> <li>• A pattern is when a movement or action is repeated.</li> </ul>		
<b>Religious Education Crucial Knowledge</b>
