

## Welcome back

Hello everyone! Welcome back ☺ I hope you have all had a super time over the summer holidays and are now ready to take on your final adventure in Year 6! I am looking forward to getting to know you all!

Let's have a great year of learning! ☺

Mrs Pearce

During the Autumn Term our topic for Geography will be all about location, we will be learning so many interesting facts about longitude, latitude, equator, hemisphere and time zones! Our History topic is all about miners. This learning will be building on knowledge that you learnt in year 2 and 4 about the mining industry. There will be plenty of opportunities to ask lots of questions!

Crucial knowledge is an important part of our daily school life. Please take the time to visit the website where you can find your child's crucial knowledge for this term.

## Homework

Homework will be sent home on a Thursday in paper form.

It will need to be in school by the following Wednesday morning.

Year 6 P.E. will take place every Monday and Friday. Children need to come into school in their kits and stay in them all day.

During the first few weeks, our new P.E. kit will be given out to all children. This must be worn on P.E. days. Please ensure that children have suitable trainers, plain jogging bottoms or shorts, a white t-shirt or coloured team t-shirt until their new kit arrives.

Children must wear their long hair tied back and they will not be able to wear earrings. Plasters will not be accepted.

Water bottles need to be in school every day. Whilst we ensure all children have a drink at school, there are a high number of children not bringing in a water bottle on a regular basis.

Please send your child in with a healthy snack for break time during the Autumn term.

School lunches are £2.99
