

Art & Design - Year 6	
Autumn 1	
Drawing	• The area of the drawing a viewer sees first is called the 'single focal point.' • 'Horizon' is a line that runs across the page from side to side to represent the viewer's eye level.
Spring 1	
Painting	• Tertiary colours are equal amounts of primary and secondary colours. • Neutral colours don't show up on colour wheel, e.g. white, black, beige.
Summer 1	
Sculpture	• Clay can be manipulated by pinching, carving, impressing and coiling. • Clay is hardened by removing the moisture – air drying or kiln. • Glaze is the paint that is used on clay.
