

Art & Design - Year 2	
Autumn 1	
Drawing	• Blend is to gently merge two colours together or soften lines. • A pattern is a design in which lines, shapes, forms or colours are repeated. • Texture is how something appears to feel.
Spring 1	
Painting	• Mixing is where you add one colour to another to make a new colour. • When you add white to a colour it goes lighter. • When you add black to a colour it goes darker.
Summer 1	
Sculpture	• A sculpture is a 2D or 3D piece of art. • Carving clays means using tools to scrape away parts of the clay. • If you 'impress' clay you make a mark in the clay by pressing or stamping an object into it.
