

Art & Design - Year 3	
Autumn 1	
Drawing	• Third dimension means making an object look solid by using drawing techniques. • Perspective is to make a drawing appear 3D on a 2D plain. E.g. A road appearing to curve in the distance or an apple sitting on a table.
Spring 1	
Painting	• Tone is how light or dark a colour is. • Shade is a darker version of a colour. • Complimentary colours sit opposite each other on the colour wheel.
Summer 1	
Sculpture	• If you 'impress' clay you make a mark in the clay by pressing or stamping an object into it. • Carving means to use tools to scrape away parts of the clay. • 'Coiling' means to spiral the clay in an upward motion to form a shape.
