Spring Term 2026

Spring Term

I hope you've all had a lovely Christmas and New Year and are looking forward to an exciting Spring Term. If you do have any questions or would like to contact me, please feel free to send me an email at k.curley@crackleybank.staffs.sch.uk and I will get back to you as soon as I can.

In Maths, we are starting to learn about decimals and in English we are working hard to expand our vocabulary to add depth and interest to our writing. In Science, we will be learning about humans including animals, as well as the rest of the world in Geography and Romans in History - including our Roman Experience trip to Chester! In RE we will be learning all about Easter and how we can show others respect in PSHE. We also have our trip to Standon Bowers to look forward to at the end of January and I'm sure we are all excited to try new experiences.

Reminders

Children need to have their reading books and diaries in school everyday. They should also be reading for 10 minutes each day at home.

Our PE days are Tuesday and Thursday. On these days, children need to be in their PE kits with trainers on. Long hair should be tied back and earrings need to be removed.

Water bottles need to be brought into school each day and clearly labelled. These should have water in not juice.

Homework is given out each Thursday and due in the following week on the Thursday.

Crucial Knowledge

Crucial Knowledge is an important part of our learning in school and our Crucial Knowledge can be found on our website. <https://www.crackleybank.staffs.sch.uk/index.php/year-4/year4-crucial-knowledge>
