

Welcome back

Hello and welcome back 😊 I hope you've all had a good rest over the Easter holidays and ready to work hard in the run up to SATs. It will be great to hear what you have been up to over the holidays and I am looking forward to our last term together at Crackley Bank.

Mrs Pearce 😊

During the Summer term, our topic for geography will be about biomes and climate zones, we will be learning so many interesting facts about the weather, what a biome is and of course we will have our termly Geography Day. Our history topic is all about the Second World War, we will learn key facts and learn how children were evacuated and what rationing was. There will be plenty of opportunities to ask lots of questions!

Homework

Homework will be sent home on a Thursday in paper form.

It will need to be in school by the following Wednesday morning.

Crucial knowledge is an important part of our daily school life. Please take the time to visit the website where you can find your child's crucial knowledge for this term.

<https://www.crackleybank.staffs.sch.uk/index.php/year-6/year6-crucial-knowledge>

Year 6 P.E. will take place every Monday. Children need to come into school in their kits and stay in them all day.

Remember that PE kit is our school kit or plain jogging bottoms (no zips/logos) and a plain white t-shirt.

Please ensure that children have suitable trainers as well.

Children must wear their long hair tied back and they will not be able to wear earrings. Plasters will not be accepted.

Water bottles need to be in school every day.

Whilst we ensure all children have a drink at school, there were a high number of children not bringing in a water bottle on a regular basis last term.

Please send your child in with a healthy snack for break time during the summer term.

School lunches are £2.99
