

Nursery Newsletter - Autumn Term

A very warm welcome to all of our Nursery families. I am excited to get to know you all over the next few weeks! We have got an exciting term ahead!

If you have any questions or concerns please don't hesitate to contact me by emailing on g.bourne@crackleybank.staffs.sch.uk

We have an amazing term ahead with lots of exciting activities planned. Throughout this term we will focus on seven areas of learning and we will incorporate these throughout our activities. These seven areas are:

- Communication and language
- Physical development
- Personal, social and emotional development
- Expressive arts and design
- Understanding the World
- Mathematics
- Literacy

Our main focus to begin with, will be getting to know each other and settling into the school day with understanding our routines and expectations.

We absolutely love reading and throughout the term we will come across lots of different books such as: Owl Babies, Giraffes Can't Dance, Elmer as well as many different nursery rhymes! It is important that you spend time reading to your child at home too.

We will improve our fine motor skills daily, by involving ourselves in Dough Disco, Squiggle Whilst You Wiggle and many other activities.

Notices

Please ensure your child has a set of spare clothes in a named bag for their peg at school. We love exploring through water play and lots of fun, hands-on activities, which can sometimes mean clothes need a little change! Spare clothes are also useful for any little accidents that may happen during the day. Having these available helps us to keep your child feeling comfortable, happy and ready to enjoy their day with us. Thank you for your support! Please ensure all clothing is labelled. If your child is in pull-ups please put spare pull-ups and wipes in their bags.

Your child will need a coat everyday and possibly a sun hat so that we can enjoy being outside. As it gets colder, please bring a hat, scarf and gloves. These must also be labelled. Your child is welcome to bring in wellies too. We do have some spare wellies in the classroom.

Please ensure your child brings a labelled water bottle into school and this is cleaned each night before returning the next day.

Our P.E day will be a **Monday**. Children should come to school in their PE kits and stay in them all day. Please ensure they have sensible trainers and any earrings are removed before school.
