

Year 2

Autumn Newsletter 2026

Welcome to Year 2! I hope you are all looking forward to learning together and having lots of fun! We have lots of exciting activities planned for you all to enjoy.

If you have any questions or queries, please email me on j.johnson@crackleybank.staffs.sch.uk and I will reply as soon as possible.

Reading books need to be in school **EVERY** day as the children will be reading each morning. Please continue to support us by reading at home – if you do, can you please jot it in their reading diary. 😊

Encourage your child to try our delicious free school lunches. Scan the QR code for the menu.

Please make sure your child has a water bottle with their name on for when they need a drink throughout the day. Juice can be saved for lunchtime! 😊

Coming up this term...

In **English** we will be ensuring our letters are formed correctly and we know our sounds. We will be reading some brilliant stories and writing our own exciting sentences. In **Maths** we will secure our knowledge of place value, addition and subtraction.

- In **Science**, we will be learning about living things and their habitats and the use of everyday materials.
- In **History**, we will learn what life was like for miners.
- In **Geography**, we will find out about the continents and oceans of the world.
- In **Computing**, we will explore ways to stay safe online while improving our computing and technology skills.
- In **PSHE**, we will be talking about our school rules and thinking about what it means to be a good friend.
- In **Art**, we will be improving our drawing skills.
- In **Design and Technology** (DT), we will be learning about vehicles.
- In **Music**, we will be singing and learning about rhythm and beat.

PE Kit

Our PE session will take place every **Wednesday**.

Please make sure children are in full school PE kit, trainers and long hair is tied back. Jewellery cannot be worn. Earrings must be taken out at home (they cannot be covered with plasters).

Homework

Homework is set on a Thursday and is due back the following Wednesday.

Homework will be times tables practice, spellings and Maths Whizz. Please scan this QR code to go to the Maths Whizz website.

Upcoming Events

This term we have lots of exciting activities planned. These include trips, Geography Day, History Day, Hello Yellow Day and much more! Keep up to date with everything you need to know by looking at the classroom page on our website or on Facebook.
