

Crackley Bank Primary School

Autumn 1 - School Calendar 2026 – 2027

Welcome to the first half of the autumn term. Please see the calendar below for details of events for pupils and parents over the coming months.

Throughout the year, each year group will have the opportunity to perform in either a production or a class assembly. These events have been spread across the school year.

Children will also have opportunities to attend or take part in workshops, trips and other special events this term and throughout the year.

Please note that events may be subject to change, and more events may be added. We will communicate any changes to parents as soon as we can.
